

Biomass South 2008

June 19, 2008

The Biomass South 2008 conference will provide an opportunity to discuss current technology, research, policy initiatives, and incentives for biopower, biofuels, and bioproducts in the South. A south-wide biomass roadmap will be developed and needs for research, funding, policy development, and incentives will be discussed. The conference will be held Sept. 22-23 at the Raleigh Convention Center in Raleigh, North Carolina. Registration is scheduled to begin July 1, 2008, though it may begin earlier.
